As a child, what did you want to be when you grew up?

Romans 15

DIG:

Why would Paul feel the need to write an encouraging word at this point (v14-15)?

Paul's ambition was to preach to those who had never heard about Christ (v20). To what ministry do you feel God may be calling you?

How have you been an offering (v16)?

REFLECT:

Looking over your schedule and priorities this past month, what would you say is your ambition in life? Is it what you want it to be? How do your ambitions compare with Paul's in terms of clarity? Value? Concern for God's Kingdom?
