As a child, what item did someone possess that made you jealous or who were you envious of in high school and why? What is the difference and benefit of healthy competition?

DIG:

God hasn't rejected the Jews (v1) but on what basis are they chosen (v5-6)?
What good came to us because of the Jew's sin (v11)?
What are the grafted ones warned of in v20&25 and why?
What do both the Jews and us Gentiles share in common (v29-32)?

REFLECT:

How is it possible for someone to try so hard to please God that they actually resist His love for them? Have you?

Are church goes today relying more on performance and rituals than on God's grace? How?
