Variation on Psalm 100

The Lord is love

The Lord is God.

He watches over all the lands
and we are put together
from the earth, by His hands

And we are His people
He's the Shepherd we trust
The Lord is God
The Lord is Love

The Lord is power and strength
He gives us all that we need
And when we lose our way
In Him we believe

Oh the Lord is Love

The Lord is kind
He is patient and true
And when we are lost
He seeks for us too

We pray for tomorrow
For all that we don't have today
And we trust in God's plans
Because He knows the way

Dawn

Lord, I'm so tired in this fight
Tired of waking up with no end in sight
I feel I've got so little left
I know that I've come to the end of
myself
Help me hold on
Cling to You till I see the sun

Held by Your love
I sing alleluia
You're lifting my heart as I lift my hands
Safe in Your love
I sing alleluia
You're healing my heart as I lift my hands

Water the garden of my life
With every sorrow, every tear that I've
cried
Redeem this winter for Your good
Lord, show Your power as only You could
Help me hold on
I'll cling to You till I see the sun

Even when it's hardest
You are faithful and You bring the dawn
On every mountain
I'll sing it even louder
You are faithful and You bring the dawn
Even in the darkness
Luke Smallbone / Rebecca St. James

Walk with You

Early in the morning
You wait for me to rise
Counting down the seconds
Till I open up my eyes

I hear your invitation
You have been so patient
Lord, this is my reply

I want to walk with you
And talk with you
Hear you speaking
Feel you breathing
Walk with you
And talk with you
Hear you speaking
Feel you breathing
Walk with you

By the quiet waters
You fill me with your peace
Through the darkest valley
I know that you're with me
The beauty of your presence
Fills me with assurance
That you are all I need

Walk with you
I wanna know you
Not just about you
I wanna be with you
Not just around you
I wanna love you
Not just be loved by you
Michael Bethany

Christ has No Body Now But Yours

Christ has no body now but yours
No hands, no feet on earth but yours
Yours are the eyes with which He sees
Yours are the feet with which He walks
Yours are the hands with which He
blesses all the world
Yours are the hands

Your Grace Finds Me

It's there in the newborn cry
There in the light of every sunrise
There in the shadows of this life
Your great grace
It's there on the mountain top
There in the everyday and the mundane
There in the sorrow and the dancing
Your great grace oh, such grace

From the creation to the cross
There from the cross into eternity
Your grace finds me
Your grace finds me

It's there on a wedding day
There in the weeping by the graveside
There in the very breath we breathe
Your great grace
The same for the rich and poor
The same for the saint and for the sinner
Enough for this whole wide world
Your great grace oh, such grace

There in the darkest night of the soul
There in the sweetest songs of victory
Your grace finds me
Your grace finds me

Your great grace oh, such grace

Breathing in Your Grace
Breathing out Your praise
Breathing in Your Grace
Forever

The Wonderful Cross

When I survey the wondrous Cross
On which the Prince of Glory died
My richest gain, I count but loss
And pour contempt on all my pride
See from His head, His hands, His feet
Sorrow and love flow mingled down
Did ever such love and sorrow meet?

Or thorns compose, so rich a crown

Oh the wonderful Cross, oh the
wonderful Cross
Bids me come and die and find that I
may truly live
Oh the wonderful Cross, oh the
wonderful Cross
All who gather here by grace, draw near
and bless Your name

Were the whole realm of nature mine
That were an offering far too small
Love so amazing, so divine
Demands my soul, my life, my all

There is a Redeemer

There is a Redeemer
Jesus, God's own Son
Precious Lamb of God
Messiah, Holy One

Jesus, my Redeemer
Name above all names
Precious Lamb of God
Messiah, O for sinners slain

Thank You, O my Father
For giving us Your Son
And leaving us Your Spirit
'Til the work on earth is done

When I stand in glory
I will see His face
And there I'll serve
My King forever
In that holy place
