

Thank You

I can sing a billion songs
Dance till my feet are numb
Spin till I'm empty and poor
Can't praise you enough

Shout till my voice gives way
Leap till I have no strength
Lose my breath trying to explain
Can't praise you enough

And if time were to stall,
I can never tell it all
Words are few,
so this will have to do

I just wanna thank You
I just wanna thank You
I just wanna thank You
Oh I'm grateful

You sang till I found my song
You danced till my heart woke up
Now I move to the rhythm of love
I can't praise You enough

You wept till I found my strength
You lost your breath dying to save
I'll never go back to that grave
I can't praise You enough

Standing in the promise
Surrounded by Your goodness
You have overwhelmed us
Hallelujah

Gratitude

All my words fall short
I got nothing new
How could I express
All my gratitude?

I could sing these songs
As I often do
But every song must end
And You never do

So I throw up my hands
And praise You again and again
'Cause all that I have is a hallelujah
Hallelujah

And I know it's not much
But I've nothing else fit for a King
Except for a heart singing hallelujah
Hallelujah

I've got one response
I've got just one move
With my arm stretched wide
I will worship You

So come on, my soul
Oh, don't you get shy on me
Lift up your song
'Cause you've got a lion inside of those
lungs
Get up and praise the Lord

Make Room

Here is where I lay it down
Every burden, every crown
This is my surrender
This is my surrender
Here is where I lay it down
Every lie and every doubt
This is my surrender

And I will make room for You
To do whatever You want to
To do whatever You want to
And I will make room for You
To do whatever You want to
To do whatever You want to, oh

And I will make room for You
To do whatever You want to
To do whatever You want to, Jesus

Have Your way, have Your way, Jesus, oh
We surrender all, we surrender all, Jesus
Have Your way, Jesus, have Your way,
Jesus

Shake up the ground of all my tradition
Break down the walls of all my religion
Your way is better
Oh Your way is better

Here is where I lay it down
You are all I'm chasing now
This is my surrender
This is my surrender
