

FREEDOM REIGNS

Where the Spirit of the Lord is there
is freedom

Where the Spirit of the Lord is there
is freedom

Lift your eyes to heaven there is
freedom

Lift your eyes to heaven there is
freedom

Freedom reigns in this place
Showers of mercy and grace
Falling on every face, there is
freedom

Jesus reigns in this place
Showers of mercy and grace
Falling on every face, there is
freedom

If you're tired and thirsty there is
freedom

If you're tired and thirsty there is
freedom

Give your all to Jesus there is
freedom

Give your all to Jesus there is
freedom

CREATOR KING

You who made the mountains and
the seas

Measured out the universe and You
made me

Echoes of the voice that called the
worlds to be

Reach through the ages and now
speak to me

You're my Creator King

You who made the valleys and the
skies

Displayed Your love on far horizons
and before my eyes

You who lit the stars and set the
dawn in time

Called them all by name and now
You whisper mine

You're my Creator King

I am breathless, I see Your power
I am humbled by Your tender love
Who am I that You are mindful of
me?

You're my Creator King

You who made the darkness and
the light

Sun and moon to watch the day
and guard the night

The hand that stretched the
Heavens like a canopy

Reaches down to cover and watch
over me

You're my Creator King

I am breathless, I see Your power
I am humbled by Your tender love
Who am I that You are mindful of
me?

Who am I, who I am, who I am that
You set Your love on me?

You're my Creator King

You're my Creator King

TASTE AND SEE

Taste and see, the Lord is good
Taste and see, the Lord is good
Blessed is the man who finds
refuge in Him
Taste and see, the Lord is good

When the sun will not rise on my
sorrow
When the future strikes fear in my
heart
And the joy of livin' is pulled away
I will lift my eyes

Taste and see, the Lord is good
Taste and see, the Lord is good
Blessed is the man who finds
refuge in Him
When my best effort finds itself
empty
When my strength slips away in
life's tide
And the hope of victory fades from
sight
I will lift my eyes

GOODNESS OF GOD

I love You, Lord
For Your mercy never fails me
All my days, I've been held in Your
hands
From the moment that I wake up
Until I lay my head
Oh, I will sing of the goodness of God

And all my life You have been faithful
And all my life You have been so, so
good

With every breath that I am able
Oh, I will sing of the goodness of God

I love Your voice
You have led me through the fire
In the darkest night
You are close like no other
I've known You as a Father
I've known You as a Friend
And I have lived in the goodness of
God (yeah)
And all my life You have been faithful
And all my life You have been so, so
good
With every breath that I am able
Oh, I will sing of the goodness of God

'Cause Your goodness is running after
It's running after me
Your goodness is running after
It's running after me
With my life laid down
I'm surrendered now
I give You everything
'Cause Your goodness is running after
It's running after me (oh-oh)
'Cause Your goodness is running after
It's running after me
Your goodness is running after
It's running after me
With my life laid down
I'm surrendered now
I give You everything
'Cause Your goodness is running after
It keeps running after me

And all my life You have been faithful
And all my life You have been so, so
good
With every breath that I am able
Oh, I'm gonna sing of the goodness
of God
(I'm gonna sing, I'm gonna sing)

'Cause all my life You have been
faithful
And all my life You have been so, so
good
With every breath that I am able
Oh, I'm gonna sing of the goodness
of God
Oh, I'm gonna sing of the goodness
of God

FIND ME

I fall down upon the ground
Press my face against the earth
Till my heart it rises over my head
As the wheat it bows down low
When the autumn wind blows
I kneel before the One I love

Find me grateful
Find me thankful
Find me on my knees
Find me dreaming
Find me singing
Find me lost in Your grace

Like the dust that You first held
In a garden where You knelt
Pull me up against Your face again
Till the breath of Your hope
Fill the depths of my soul
Till all I know is I've been found by
love

Find me grateful
Find me thankful
Find me on my knees
Find me dreaming

Find me singing
Find me lost in Your grace

Like the dust that You first held
In a garden where You knelt
Pull me up against Your face again
Till the breath of Your hope
Fill the depths of my soul
Till all I know is I've been found by
love

Find me grateful
Find me thankful
Find me on my knees
Find me dreaming
Find me singing
Find me lost in Your grace

I BELONG

Not angels nor demons
No power on earth or Heaven
Not distance nor danger
No trouble now or ever
Nothing can take me from Your
great love
Forever this truth remains

I belong
Belong to You
I belong
Belong to You

Not hardship nor hunger
No pain or depth of sorrow
Not weakness nor failure
No broken dream or promise
Forever this truth remains.

COME JESUS COME

Sometimes I fall to my knees and
pray

Come, Jesus, come
Let today be the day
Sometimes I feel like I'm gonna
break
But I'm holding on
To a hope that won't fade

Come, Jesus, come
We've been waiting so long
For the day You return
To heal every hurt and right every
wrong
We need You right now
Come and turn this around
Deep down I know this world isn't
home
Come, Jesus, come

There'll be no war
And there'll be no chains
When Jesus comes
Let today be the day
He'll come for the weak
And the strong just the same
And all will believe in the power of
His name

Come, Jesus, come
We've been waiting so long
For the day You return
To heal every hurt and right every
wrong
We need You right now
(Come and turn this around) turn
this around
Deep down I know this world isn't
home

Come, Jesus, come
Come, Jesus, come

One day He'll come
And we'll stand face to face
Come and lay it all down
'Cause it might be today
The time is right now
There's no need to wait
Your past will be washed by rivers
of grace

Come, Jesus, come
We've been waiting so long
For the day You return
To heal every hurt and right every
wrong
We need You right now
(Come and turn this around) turn
this around
Deep down I know this world isn't
home
Come, Jesus, come
Come, Jesus, come
Come, Jesus, come
