

MIND OF CHRIST

When we think about ourselves
We should be reminded of the mind
of Christ
He was God through and through
Yet he refused to use it to grasp
privilege
Fully human, fully divine
He brought this union to the cross
and died
At the name of Jesus every knee
should bow
In heaven and earth, and under the
earth
Humanity declaring Jesus Christ is
Lord
For the Son has revealed the glory
of God the Father

In a world that worships strength
You surprise your friends by
kneeling down at their feet
What we all need to see
More 'Christ-like' companions who
serve willingly

Fully human, fully divine
You brought this union to the cross
and died

At the name of Jesus every knee
should bow
In heaven and earth, and under the
earth
Humanity declaring Jesus Christ is
Lord
For the Son has revealed the glory
of God the Father

He emptied himself, it was time to
unveil
God's nature to the world
So God exalted him, to the very
highest place
And gave to him the name above
all names
Love

At the name of Jesus every knee
should bow
In heaven and earth, and under the
earth
Humanity declaring Jesus Christ is
Lord
For the Son has revealed the glory
of God the Father

SING (VICTORIOUS LOVE)

There's Joy for journey
Strength for the lost
Hope for the road that's to come
Questions and answers to find on
the way
Losses and victories won
Knowing tomorrow will follow
today
Living the mystery, walking by faith
Jesus the answer in all we can see
And forever will be

Sing of victorious love
Join with the heavens above
Risen and glorious one
Death is overcome
As You're kingdom comes

The tomb has been opened
The stone rolled away
What a wonderful day
As life before history rose from the grave
The whole universe changed
Showing tomorrow will follow today
That the end of our journey is Your saving Grace
Christ is the answer eternally
And forever will be

All You have made, calls out with praise
So we will rejoice
All of creation echoes Your voice

HOSANNA (PRAISE IS RISING)

Praise is rising, eyes are turning to You, we turn to You
Hope is stirring, hearts are yearning for You, we long for You
'Cause when we see You, we find strength to face the day
In Your Presence all our fears are washed away, washed away

Hosanna, hosanna
You are the God Who saves us, worthy of all our praises
Hosanna, hosanna
Come have Your way among us
We welcome You here, Lord Jesus

Hear the sound of hearts returning to You, we turn to You

In Your Kingdom broken lives are made new, You make us new
'Cause when we see You, we find strength to face the day
In Your Presence all our fears are washed away, washed away

Hosanna, hosanna
You are the God Who saves us, worthy of all our praises
Hosanna, hosanna
Come have Your way among us
We welcome You here, Lord Jesus

'Cause when we see You, we find strength to face the day
In Your Presence all our fears are washed away

'Cause when we see You, we find strength to face the day
In Your Presence all our fears are washed away, washed away

Hosanna, hosanna
You are the God Who saves us, worthy of all our praises
Hosanna, hosanna
Come have Your way among us
We welcome You here, Lord Jesus

Hosanna, hosanna
You are the God Who saves us, worthy of all our praises
Hosanna, hosanna
Come have Your way among us
We welcome You here, Lord Jesus
Hosanna, hosanna
Hosanna, hosanna

AT THE FOOT OF THE CROSS

At the foot of the cross
Where grace and suffering meet
You have shown me Your love
Through the judgment You received
And You've won my heart
Yes, You've won my heart
Now I can

Trade these ashes in for beauty
And wear forgiveness like a crown
Coming to kiss the feet of mercy
I lay every burden down
At the foot of the cross

At the foot of the cross
Where I am made complete (I am
made complete)
You have given me life
Through the death You bore for me
And You've won my heart (You've won
my heart)
Yes, You've won my heart
Now I can

Trade these ashes in for beauty
And wear forgiveness like a crown
Coming to kiss the feet of mercy
I lay every burden down
At the foot of the cross

I trade these ashes in for beauty
And wear forgiveness like a crown
Coming to kiss the feet of mercy
I lay every burden down
At the foot of the cross
And You've won my heart
Yes, You've won my heart
Now I can

Trade these ashes in for beauty
And wear forgiveness like a crown
Coming to kiss the feet of mercy

I lay every burden down
At the foot of the cross

I trade these ashes in for beauty
And wear forgiveness like a crown
Coming to kiss the feet of mercy
I lay every burden down
I lay every burden down
I lay every burden down
At the foot the cross
I'm laying every burden down
I'm laying every burden down

MULTIPLY YOUR LOVE

Multiply Your love through us
To the lost and the least
Let us be Your healing hands
Your instruments of peace

May our single purpose be
To imitate Your life
Through our simple words and deeds
Let love be multiplied

Multiply Your love through me
To someone in need
Help me Lord to freely give
This grace that I've received

Let my single purpose be
To imitate Your life
Through my simple words and deeds
Let love be multiplied

Let us see Your kingdom come
To the poor and broken ones
Let us see a mighty flood
Of justice and mercy, O Jesus
Let love be multiplied
Let love be multiplied
