

## **CANTICLE OF CREATION**

Most High, all-powerful, precious  
God.

No spoken word can hold your  
name.

Praise be to You who births all life,  
with all Your creatures

Especially you Sir Brother Sun,  
who is the day and is your light.  
A beauty so true to you,  
there you are. There, you are.

Praise be to You, my Lord you are,  
Sister Moon  
and the stars: bright, precious  
heaven, there you are.  
There, you are.

Praise be to You, my Lord you are,  
Brother Wind  
and the air: breath of Spirit, there  
you are.  
There, you are.

Praise be to You my Lord you are,  
Sister Water  
gift of Life: pure, essential, there  
you are.  
There, you are.

Praise be to You my Lord you are  
Brother Fire,  
friend through the night: strong and  
playful there you are.  
There, you are.

Most High, all-powerful, precious  
God,

through Mother Earth we see your  
face.

You who govern all of life,  
sustain and nurture all that is.

With sister Death: first and last  
breath.

The key unlocking all we are, there,  
we are.

## **BROTHER MOON**

Brother moon

Shine down your light on us tonight

Show us the love of God

Sister sun you bring out the day

You're shining the light of God on  
your face today

Maker of it all

You provide it all

In You we live

In You we move

In You we have our being

You're glorious

You're holding us together all  
together

Brother wind your clouds and your  
storms

You're breathing the breath of God  
in your lungs for us

Mother earth, you're giving us life  
With God's open hand you always  
provide for us

Maker of it all

You provide it all

In You we live

In You we move  
In You we have our being  
You're glorious  
You're holding us together all  
together  
You are everything good, you are  
everything beautiful  
You are everything, you're  
everything

### **CREATION CALLS**

I have felt the wind blow,  
Whispering your name...  
I have seen your tears fall,  
When I watch the rain.

How could I say there is no God?  
When all around creation calls!!  
A singing bird, a mighty tree,  
The vast expanse of open sea...

Gazing at a bird in flight,  
Soaring through the air.  
Lying down beneath the stars,  
I feel your presence there.

I love to stand at ocean shore  
And feel the thundering breakers  
roar,  
To walk through golden fields of  
grain  
With endless bloom horizons fray.

Listening to a river run,  
Watering the Earth.  
Fragrance of a rose in bloom,  
A newborns cry at birth.

I love to stand at ocean shore  
And feel the thundering breakers  
roar,  
To walk through golden fields of  
grain  
With endless bloom horizons fray

I believe  
I believe  
I believe just like a child  
I believe

### **DEEP PEACE**

Deep peace of the rolling waves to  
you

Deep peace of the silent stars  
Deep peace of the blowing air to  
you

Deep peace of the quiet earth  
Let peace, let peace, let peace fill  
your soul

May peace, may peace, may peace  
keep you whole
