

LEANING ON THE EVERLASTING ARMS

What a fellowship, what a joy divine
Leaning on the everlasting arms
What a blessedness, what a peace
is mine
Leaning on the everlasting arms

Leaning, leaning
Safe and secure from all alarms
Leaning, leaning
Leaning on the everlasting arms

What have I to dread, what have I
to fear
Leaning on the everlasting arms?
I have blessed peace with my Lord
so near
Leaning on the everlasting arms

Leaning, leaning
Safe and secure from all alarms
Leaning, leaning
Leaning on the everlasting arms

GRAVITY OF LOVE

I lift my eyes up to the hills
This my morning song
Where my strength comes from
I lift my eyes up to the hills
This my evening song
Where my help comes from

This is the gravity of love
Just as the moon follows the sun
You're all around me
You're holding ev'rything

This is the hope of ev'ry land
Just as the universe expands
Your love is reaching
You're holding ev'rything

We lift our eyes up to the hills
When will our help come
Lord we cry how long
We lift our eyes up to the hills
Even as we run
Hope is chasing us

BE STILL AND KNOW THAT I AM GOD

Be still and know that I am God
Be still and know that I am God
Be still and know that I am God

I am the One who comes to you
I am the One who comes to you

In You, O Lord, I put my trust

BROTHER MOON

Brother moon

Shine down your light on us tonight

Show us the love of God

Sister sun you bring out the day

You're shining the light of God on
your face today

Maker of it all

You provide it all

In You we live

In You we move

In You we have our being

You're glorious

You're holding us together all
together

Brother wind your clouds and your
storms

You're breathing the breath of God
in your lungs for us

Mother earth, you're giving us life

With God's open hand you always
provide for us

Maker of it all

You provide it all

In You we live

In You we move

In You we have our being

You're glorious
