

YOU SHINE

Why should I fear man
When You made the heavens
Why should I be afraid
When You put the stars in place

Why should I lose hearts
When I know how great you are
Why should I give up
When Your plans are full of love

In this world we will have trouble
But You have overcome the world

You shine, brighter than the
brightest star
Your love, purer than the purest
heart
You shine, filling us with courage
and strength
To follow You

Why should I fear man
When You made the heavens
Why should I be afraid
When You put the stars in place
Why should I lose hearts
When I know how great You are
Why should I give up
When Your plans are full of love

You shine, brighter than the
brightest star
Your love, purer than the purest
heart
You shine, filling us with courage
and strength
To follow You

In this world we will have trouble

You have overcome the world
You have overcome the world

You shine, brighter than the
brightest star
Your love, purer than the purest
heart
You shine, filling us with courage
and strength
To follow You

You shine, oh Lord, oh Lord, give
us courage
Give us courage and strength, to
follow You
You shine to the ends of the Earth,
oh Lord, oh Lord
We're gonna follow, we're gonna
follow You

10,000 REASONS (BLESS THE LORD)

Bless the Lord oh my soul
Oh my soul
Worship His Holy name
Sing like never before
Oh my soul
I'll worship Your Holy name

The sun comes up
It's a new day dawning
It's time to sing Your song again
Whatever may pass
And whatever lies before me
Let me be singing
When the evening comes

Bless the Lord oh my soul
Oh my soul
Worship His Holy name
Sing like never before
Oh my soul
I'll worship Your Holy name

You're rich in love
And You're slow to anger
Your name is great
And Your heart is kind
For all Your goodness
I will keep on singing
Ten thousand reasons
For my heart to find

Bless the Lord oh my soul
Oh my soul
Worship His Holy name
Sing like never before
Oh my soul
I'll worship Your Holy name
Bless You Lord

And on that day
When my strength is failing
The end draws near
And my time has come
Still my soul will
Sing Your praise unending
Ten thousand years
And then forevermore
Forevermore

Bless the Lord oh my soul
Oh my soul
Worship His Holy name
Sing like never before
Oh my soul
I'll worship Your Holy name

Bless the Lord oh my soul
Oh my soul
Worship His Holy name
Sing like never before
Oh my soul
I'll worship Your Holy name
Yes I'll worship Your Holy name
I'll worship Your Holy name

Sing like never before
Oh my soul
I'll worship Your Holy name
Jesus I will worship Your Holy
name
Worship Your Holy name

I BELONG

Not angels nor demons
No power on earth or Heaven
Not distance nor danger
No trouble now or ever
Nothing can take me from Your
great love
Forever this truth remains

I belong
Belong to You
I belong
Belong to You

Not hardship nor hunger
No pain or depth of sorrow
Not weakness nor failure
No broken dream or promise
Forever this truth remains.

THERE IS A REDEEMER

There is a redeemer
Jesus, God's own son
Precious lamb of God, Messiah
Holy one

Jesus my redeemer
Name above all names
Precious lamb of God, Messiah
Oh, for sinners slain.

Thank you oh my father
For giving us your son
And leaving your spirit
'Til the work on earth is done.

When I stand in glory
I will see his face
And there I'll serve my king forever
In that holy place

Thank you oh my father
For giving us your son
And leaving your spirit
'Til the work on earth is done.

There is a redeemer
Jesus, God's own son
Precious lamb of God, Messiah
Holy one

Thank you oh my father
For giving us your son
And leaving your spirit
'Til the work on earth is done.
And leaving your spirit
'Till the work on earth is done.

COME NOW IS THE TIME TO WORSHIP

Come, now is the time to worship

Come, now is the time to give your heart

Come, just as you are to worship
Come, just as you are before your God, Come

One day ev'ry tongue will confess You are God

One day ev'ry knee will bow
Still the greatest treasure remains for those

Who gladly choose you now

Come, now is the time to worship
Come, now is the time to give your heart

Come, just as you are to worship
Come, just as you are before your God, Come

One day ev'ry tongue will confess You are God

One day ev'ry knee will bow
Still the greatest treasure remains for those,

Who gladly choose you now

Willingly we choose to surrender our lives

Willingly our knees will bow
With all our hearts, oh, mind and strength

We gladly choose you now

Come, now is the time to worship
Come, now is the time to give your heart

Come, just as you are to worship
Oh, come, just as you are before your God, Come

Come, oh you nations
Come, come and worship
Oh, come

**WAIT FOR THE DANCE TO
BEGIN**

We can't live forever
Is that something that I've taken in
To never say never
Always waiting for life to begin

Remember the good times
Celebrate when you win
As we wait for the dance to begin

We've grown up together
Precious memories there for all to
see
Throughout this journey
We've been friends just as much as
family

Remember the good times
And the tears there have been
As we wait for the dance to begin.

Life is a journey that we get to live
day to day.
Love is the answer to everything
we've tried to say
Though we've been parted it won't
be for long,
won't be far behind
Though you're gone, you live on.

It feels kind of lonely
Something's missing from where
you used to be
But I know you're with me
Know you're watching although we
cannot speak
Remember the good times
Until we meet again
As we wait for the dance to begin

Life is a journey that we get to live
day to day.
Love is the answer to everything
we've tried to say
Though we've been parted it won't
be for long,
won't be far behind
Though you're gone, you live on.

So, we can't live forever
At least not the way things used to
be
We can't be together
But I know that we can eternally
Remember the good times
How much more we will see
When it's time for the dance to
begin
When it's time for the dance to
begin
So, we wait for the dance to begin
