

NOT GONNA WORRY

I've learned to let go of my plans
Fight my fears and dance
The present is a gift
Can't do it by my strength
Ai ai ai ai ai
Do it by my strength
Ai ai ai ai ai

I was searching
Running on my own
Overworking
Drying up my soul
And now I'm letting go
Giving you control

I'm not gonna worry
I'm just gonna lift my hands
I'm not gonna worry
I'm just gonna trust you, and
Imma do it your way
Let you write the story
Imma do it your way
I'm not gonna worry

I hear the sparrows sing
'He's watching over me'
The lilies of the field
Tell me the same thing
Ai ai ai ai ai why should I worry?
Ai ai ai ai ai

I know I can make it
I know I can make it
I know I can make it

GRATITUDE

All my words fall short
I got nothing new
How could I express
All my gratitude

I could sing these songs
As I often do
But every song must end
And You never do

So I throw up my hands
And praise You again and again
'Cause all that I have is a hallelujah
hallelujah
And I know it's not much
But I've nothing else fit for a king
Except for a heart singing hallelujah
Hallelujah

I've got one response
I've got just one move
With my arms stretched wide
I will worship You

Come on my soul
Oh don't you get shy on me
Lift up your song
'Cause you've got a lion inside of
those lungs
Get up and praise the Lord

AMEN

So be it, no more questions
Answers come when You give them
I cry out, God I believe it
This will be my last word
So be it, perfect timing
The promise You're providing
You're the manna I am finding
This will be my last word
This will be my last word

Amen (Amen) when the brook dries up
Amen from an empty cup
Amen when there's not enough
God, hear me say it again
Amen (Amen) from the wilderness
Amen from the lions den
Amen when there's nothing left
God, hear me say it again

Amen (Amen Amen)
God hear me say it again
Amen (Amen Amen)

So be it, You have seen me
Your word won't come back empty
I trust You so completely
This will be my last word
This will be my last word

Amen (Amen) when the brook dries up
Amen from an empty cup
Amen when there's not enough
God, hear me say it again
Amen (Amen) from the wilderness
Amen from the lions den
Amen when there's nothing left
God, hear me say it again

Amen (Amen Amen)
Amen
Amen (Amen Amen)
Amen

Your oil never runs
Never runs never runs out
You provide every time
Every time every time
So why would I doubt it
Your oil never runs
Never runs never runs out
You provide every time
Every time every time
So why would I doubt it
Your oil never runs
Never runs never runs out
You provide every time
Every time every time
So why would I doubt it
Your oil never runs
Never runs it never runs out
You provide every time
Every time every time
So why would I doubt it

Amen when the brook dries up
Amen from an empty cup
Amen when there's not enough
God, hear me say it again
Amen (Amen) from the wilderness
Amen from the lions den
Amen when there's nothing left
God, hear me say it again

Amen (Amen Amen)
Oh Amen again and again
(Amen Amen)
Here me say it again and again and
again
(Amen Amen)
Oh yeah yea
Oh again and again
(Amen Amen)
God here me say it again
Amen!

YOU HAVE ME

Out on the farthest edge,
there in the silence
You were there
My faith was torn to shreds,
my heart in the balance
You were there
Always faithful
Always good
You still have me
You still have my heart
I thought I had seen the end,
everything broken
but You were there
I've wandered at heaven's gates
I made my bet in hell
You were there, still
Always faithful
Always good
You still have me
You still have my heart
You have me
You have me
You have my heart completely
You have me
You have me
You have my heart completely
You have me
You have me
You have my heart completely
You have me
You have me
You have my heart
