

LOVE NEVER FAILS

Love is patient
Love is kind
Love doesn't wait to cross over to
the other side
Well it's worth never giving up
It's worth holding on cause
Love never fails
And that's a promise
Woah oh oh oh oh

Love never fails
Help me believe it
Woah oh oh oh oh
Help me to trust that this is truth
Help me to love like You do
Oh, Lord help me to live like
Love never fails

Love doesn't strut
It is not proud
Love will make sure to be seeking
others out
Love doesn't try to keep the score
It sides with forgiveness

Love never fails
And that's a promise
Woah oh oh oh oh
Love never fails
Help me believe it
Woah oh oh oh oh
Help me to trust that this is truth
Help me to love like You do
Oh, Lord help me to live like
Love never fails

Love has eyes that see your pain
Love will never run away
It holds out hope

It holds out trust
Love will always be enough

Love never fails
And that's a promise
Love never fails
Help me believe it
Woah oh oh oh oh

Help me to trust that this is true
Help me to love just like You do
Oh, Lord o help me to live like
Love never fails
Mhmm
Love never fails
No no
Love never fails
Mhmm
Love never fails

LITTLE THINGS WITH GREAT LOVE

In the garden of our Savior no
flower grows unseen
His kindness reigns like water on
every humble seed
No simple act of mercy escapes
His watchful eye
For there is One who loves me His
hand is over mine

In the kingdom of the heavens
No suff'ring is unknown
Each tear that falls is holy
Each breaking heart a throne
There is a song of beauty on ev'ry
weeping eye

For there is One who loves me
His heart it breaks with mine

Oh the deeds forgotten oh the
works unseen
Every drink of water flowing
graciously
Every tender mercy You're making
glorious
This You have asked us
Do little things with great love
Little things with great love

At the table of our Savior no mouth
will go unfed
His children in the shadows
Stream in and raise their heads
Oh give us ears to hear them
And give us eyes to see
For there is One who loves them
I am His hands and feet

FOLLOW THE SUN

Follow, follow the sun
And which way the wind blows
When this day is done
Breath, breath in the air
Set your intentions
Dream with care
Tomorrow is a new day for
everyone
A brand new moon, brand new sun
So follow, follow the sun
The direction of the birds
The direction of love
Breath, breath in the air
Cheerish this moment
Cheerish this breath
Tomorrow is a new day for
everyone
Brand new moon, brand new sun
When you feel love coming down
on you
Like a heavy wave
When you feel this crazy society
Headin' to the strand
Take a straw to the nearest waters
And remember your place
Many moons have risen and fallen
long, long before youve came
So which way is the wind blowin'
And what does your heart say?
So follow, follow the sun
And which way the wind blows
When this day is done...
