

## **CROWDED TABLE**

You can hold my hand  
When you need to let go  
I can be your mountain  
When you're feeling valley-low  
I can be your streetlight  
Showing you the way home  
You can hold my hand  
When you need to let go

I want a house with a crowded  
table  
And a place by the fire for everyone  
Let us take on the world while  
we're young and able  
And bring us back together when  
the day is done

If we want a garden  
We're gonna have to sow the seed  
Plant a little happiness  
Let the roots run deep  
If it's love that we give  
Then it's love that we reap  
If we want a garden  
We're gonna have to sow the seed

Yeah I want a house with a  
crowded table  
And a place by the fire for everyone  
Let us take on the world while  
we're young and able  
And bring us back together when  
the day is done

The door is always open  
Your picture's on my wall  
Everyone's a little broken  
And everyone belongs  
Yeah, everyone belongs

I want a house with a crowded  
table  
And a place by the fire for everyone  
Let us take on the world while  
we're young and able  
And bring us back together when  
the day is done  
And bring us back together when  
the day is done

## **COME TO THE TABLE**

Come all proud, come all greedy  
Come all liars, come all shamed  
Come all wealthy, come receive it  
To the table, come today

Come all broken, come all needy  
Come all poor, and come all slaves  
Come all rulers, come be seated  
Come all sinners, come all saints

Come to the table, from near and  
far  
Come from the shadows, come out  
of the dark  
There's room at the table, we  
saved you a seat  
Come to the banquet, come join in  
the feast

Every race, every nation  
Come all rebels, come all gay  
From the fringes, come to Jesus  
To a table full of grace  
To the table come and stay

Come to the table, come eat and drink  
There's no inner circle, come dine with the king  
Recline at the table, come let down your guard  
You're never a stranger, just come as you are

Come be whole, come be loved  
Come accepted, come now come  
Come be whole, come be loved  
Come accepted, come now come  
Come be whole, come be loved  
Come accepted, come now come

Prepared is the table, we're ready to feast  
The party is waiting, there's more still to feed  
The harvest is ready, so go fill every seat  
Go live out the mission as a kingdom of priests  
Go live out the mission as a kingdom of priests

Come be whole, come be loved  
Come accepted, come now come  
Come be whole, come be loved  
Come accepted, come now come  
Come now come, come now come

## **OFIND ME**

I fall down upon the ground  
Press my face against the earth  
Till my heart it rises over my head  
As the wheat it bows down low  
When the autumn wind blows  
I kneel before the One I love

Find me grateful  
Find me thankful  
Find me on my knees  
Find me dreaming  
Find me singing  
Find me lost in Your grace

Like the dust that You first held  
In a garden where You knelt  
Pull me up against Your face again  
Till the breath of Your hope  
Fill the depths of my soul  
Till all I know is I've been found by love

Find me grateful  
Find me thankful  
Find me on my knees  
Find me dreaming  
Find me singing  
Find me lost in Your grace

Like the dust that You first held  
In a garden where You knelt  
Pull me up against Your face again  
Till the breath of Your hope  
Fill the depths of my soul  
Till all I know is I've been found by love

Find me grateful  
Find me thankful

Find me on my knees  
Find me dreaming  
Find me singing  
Find me lost in Your grace

Find me grateful  
Find me thankful  
Find me on my knees  
Find me dreaming  
Find me singing  
Find me lost in Your grace

Find me grateful  
Find me thankful  
Find me on my knees  
Find me dreaming  
Find me singing  
Find me lost in Your grace
