

WHERE CAN I GO

Lord You have searched me and
know me
You know when I sit and when I
rise
You know when I go out
You know when I lay down at night
You're familiar with all of my ways
Lord
Before a word is ever on my
tongue
You know it completely Oh Lord
You hem me in both behind and
before
It's too wonderful

Where can I go from Your spirit
Where can I flee from Your
presence
If I go up to the heavens You are
there
If I make my bed in the depths You
are there
If I rise on the wings of the dawn
If I settle on the far side of the sea
Even there Your hand will guide me
Even there Your hand will guide me
Your right hand will hold me fast
Your right hand will hold me fast

If I say surely the darkness will hide
me
And the light become night all
around me
Even the darkness will not be dark
to You
Yet the night it will shine like the
daytime
For the darkness is as light to You
For You created my inmost being

Knit together in my mother's womb
It's too wonderful

Your hand will hold me fast

LITTLE BLUE

Little blue, be my shelter
Be my cradle, be my womb
Be my boat, be my river
Be the stillness of the moon
If I could, I'd go with you
To a place I never knew
In your eyes, so dark and open
There's a light that leads me back
to you

'Cause you're not so far away
I hear you say
"You'll never walk alone"
Singin'

Don't be afraid of the dark
In your heart
You're gonna find a way
To carry the weight of the world
On your shoulders
You're gonna find a way home

Little blue, be my anchor
Be my light, my compass star
Be my darkness, be my danger
Be the strings of my guitar
Little blue (little blue)
How I love you (how I love you)
Somethin' strong and somethin'
true
In your arms (in your arms)
So dear and gentle

There's a home
That leads me back to you

'Cause you're not so far away
I hear you say
"You'll never walk alone"
Singin'

Don't be afraid of the dark
In your heart
You're gonna find a way
To carry the weight of the world
On your shoulders
You're gonna find a way
Don't be afraid of the light
It's alright
You're gonna find your way
To carry the weight of the world
On your shoulders
You're gonna find your way home

ONE FOLLOW

Follow the will of the One
One follow

Open your heart
And the rest will follow

Follow your breath
And the rest will follow

Relax your mind
And the rest will follow
