

## **NAMES OF GOD**

Lion of Judah  
Prince of peace  
Son of God  
All hail King Jesus

Yahweh and I Am  
My Adonai  
Blessed redeemer  
God most high

My present help  
El Shaddai  
The Lord my healer  
The risen Christ

Jehovah Jireh  
My provider  
The good shepherd  
My friend forever

The Lord our banner  
The promise keeper  
The spotless Lamb  
You're everlasting

The chain breaker  
The way maker  
My God my king  
All hail Lord Jesus

All hail  
All hail  
All hail the Lord of Lords

## **THE EARTH IS YOURS**

Your voice it thunders  
The oaks start twisting  
The forest sounds with cedars  
breaking  
The waters see You and start their  
writhing  
From the depths a song is rising

Now, it's rising from the ground  
Holy, holy, holy, holy Lord  
The earth is Yours and singing

Holy, holy, holy, holy Lord  
The earth is Yours  
The earth is Yours

Your voice it thunders  
The ground is shaking  
The mighty mountains  
Now are trembling

Creation sees You  
And starts composing  
The fields and trees  
They start rejoicing

And now it's rising from the ground  
Now it's rising from the ground  
Hear us crying out  
Hear us crying out

Holy, holy, holy, holy Lord  
The earth is Yours and singing  
Holy, holy, holy, holy Lord  
The earth is Yours and singing  
Holy, holy, holy, holy Lord

The earth is Yours  
The earth is Yours  
The earth is Yours

## **ALL BELONG HERE**

When you're not sure who you  
really are  
When all you feel is the shape of  
your scars  
And you have more wounds than  
you can count  
Open your eyes, look all around  
You aren't alone, this is your home

Chorus:  
Come and remember who you are  
here  
Do this to remember who I am  
Come and remember you belong  
here  
All belong here

When you don't know how to  
forgive  
When locked doors seem like the  
only way to live  
And you've got more questions  
than you can count  
Open your eyes, look all around  
You aren't alone, this is your home

Come and remember who you are  
here  
Do this to remember who I am  
Come and remember you belong  
here  
All belong here

At this table come as you are  
Broken and bleeding's ok  
At this table eat and be filled  
Come and drink in this grace.

Come and remember who you are  
here  
Do this to remember who I am  
Come and remember you belong  
here  
All belong here

*Songwriters: Hannah Rand, Lenora Rand*

## **HONEST**

I try to pray  
But the words aren't coming out the  
way they used to  
Did I lose my faith? God do I still  
trust You?  
I try to worship  
But when I lift my hands it all just  
feels so empty  
Is it the heavy of the world? Or is it  
just me?

Though I've sung a thousand times  
You're perfect and You'll never  
leave my side

Can I be honest?  
I just wanna know that You still got  
this  
When all I'm holding onto is a  
promise  
God, You promised that You'll never  
leave me  
When I'm scared of the dark, You're  
right there with me  
Your kindness never fails, it's  
always reaching after me  
But right now, God, all I need  
Is to be honest

Oh, I've heard stories

Of you showing up when it was  
least expected  
Every time you prove your timing  
always perfect  
And the wait was worth it  
And again and again and again  
See your power coming through  
You bring life to what is dead  
No, there's nothing You can't do  
I believe you did it then  
So won't You do it now?

Can I be honest?  
I just wanna know that You still got  
this  
When all I'm holding onto is a  
promise  
God, You promised that You'll never  
leave me  
When I'm scared of the dark, You're  
right there with me  
Your kindness never fails, it's  
always reaching after me  
But right now, God, all I need

Is Your breath when I can't breathe  
Your eyes when I can't see  
An anchor as the waves crash all  
around  
Be my heart when I can't feel  
And show me something real  
Just one taste of heaven here and  
now  
Can I be honest?

Can I be honest? (Honest)  
I just wanna know that You still got  
this (you still got this)  
When all I'm holding onto is a  
promise

God, you promised that you'll never  
leave me (you'll never leave me)  
When I'm scared of the dark, You're  
right there with me  
Your kindness never fails, it's  
always reaching after me  
But right now, God, all I need  
Yeah right now, God, all I need  
Is to be honest
